

[Family Educational Rights and Privacy Act \(FERPA\)](#)

BlueStreak Education, Inc. acknowledges that all data stored in our system will be treated as confidential and the property of the district. This data will not be shared with any other district or entity, without express prior written approval from the school board, and shall not be used by BlueStreak Education, Inc. for demonstration purposes to other districts.

Any student level data housed in the BlueStreak Education, Inc. reporting system will be protected in accordance with the Family Educational Rights and Privacy Act (FERPA). BlueStreak Education, Inc. will not disclose student educational records or directory information except to relevant district or school employees, or parents, except in the event that such records are required by law (and during with the parents still have the right to be notified).

BlueStreak Education, Inc. agrees to provide a parent with access to their child's educational records upon request, and an opportunity to seek correction of records he/she believes to be inaccurate or misleading.

BlueStreak Education, Inc. assures that data and associated backup sets are stored within a secure data center, and are not transferred out of the secure facility. Any data retention sets are secure and used only for the purpose of advanced placement within BlueStreak Education.

[Children's Internet Protection Act \(CIPA\)](#)

BlueStreak Education, Inc. is a restricted application that does not allow for any content outside of the program. BlueStreak Education, Inc. does not provide any form of proxy or embedded open-web-view to circumvent school's monitoring and filtering software. BlueStreak Education, Inc. does not offer any communication with other individuals including electronic mail, chat rooms or any other form of direct communications. No personal information is shared in BlueStreak Education, Inc.

[Children's Online Privacy Protection Act \(COPPA\)](#)

BlueStreak Education, Inc. does not collect any type of personal information from students and/or parents including but not limited to first and last name, email address, telephone number, or Social Security number. All student names and user ID's are provided by the school district. All student information submitted into the system is accessible only by the respective student's assigned teacher and school supervisors.
